# INSPIRE MENTORING

## SENIOR GROUPS

Canada's Sports Hall of Fame's completely accessible facility located at Canada Olympic Park is a wonderful opportunity to see Canada's largest collection of Canadian sport related artefacts. Take a walk down memory lane as the gently winding galleries of the museum showcase photos, medals, trophies, clothing, and equipment going back generations.

The experience includes dozens of interactive exhibits for all ability/mobility levels and moving stories of Canada's greatest sporting heroes presented in audio/visual formats friendly for the hearing impaired. The stories of our 540 Honoured Members touch on the core values that define our country and demonstrate how they each helped shape Canada into what it is today.

Programming options at Canada's Sports Hall of Fame include a rare opportunity to handle some of Canada's never-seen-before historical artefacts, to learn about Canadian sport history from our experienced team, and to share your own great sport stories. Each visit features a viewing of the inspirational film "Canada's Greatest Sport Moments" and provides the group with an hour to visit the Hall's 12 galleries.
